

JANUARY 20, 2017
FLORIDA HEALTH LITERACY SUMMIT
Nemours Children’s Hospital, Orlando

More than 90 million people in the United States struggle to understand and use health information.

The Florida Health Literacy Summit is a statewide forum for educators, medical professionals and policy makers to discuss and collaborate on how to effectively serve the health needs of adults and families with low health literacy.

Featured Speakers

Dr. Celeste Philip, Florida Surgeon General and Secretary, Florida Department of Health

Toni Cordell, Adult Education and Health Literacy Advocate

Registration

Registration Fee: \$45 (includes lunch and parking)
