

Words to Learn By

BUILD STRONG READERS through Evidence-Based Vocabulary

Words to Learn By is a three-book series offering an evidence-based approach to vocabulary instruction for adult and young adult learners. Lessons focus on words from the Academic Word List and General Services List to build a foundation of high-frequency vocabulary encountered in academic content areas, the workplace, and everyday life. Each book provides:

- Sequenced, meta-cognitive activities to build vocabulary knowledge and sharpen critical thinking skills.
- Comprehensive, words-in-context approach.
- Reading and writing practice.
- Framework for direct, explicit instruction.
- Detailed instructions and guidance for teachers.
