Friends of the Florida Literacy Coalition,

For the past few weeks, FLC has been monitoring the outbreak of COVID-19. In light of recent recommendations from the CDC and Governor DeSantis, we have decided to postpone the Florida Literacy Conference to a later date.

The health and safety of our attendees is our top priority, and with heightened concerns regarding large gatherings, we believe this decision is in everyone's best interest. We sincerely apologize for any inconvenience this may cause.

FLC is in the process of exploring potential alternative dates and we'll keep you posted on this. We are offering two options for those who have already registered and paid.

1. [Request a full refund](#) at this time.
2. Postpone your decision until a new date has been scheduled. If you then decide not to attend, a full refund will be made available.

Exhibitors, please contact Nicole Caban at ncaban@floridaliteracy.org to arrange for a refund.

We've been informed by the Orlando Marriott Lake Mary that all rooms booked under the conference's room block (and rate) will be automatically canceled.

For questions about the conference, please email conference@floridaliteracy.org or call 407-246-7110.

Thank you for your understanding. Stay safe and we hope to see you in the near future.

Sincerely,

Greg Smith
Executive Director
