

## Teacher/Tutor Symposiums

# BUILDING YOUR ESOL TOOLBOX

ESOL teachers and tutors work every day to help learners acclimate and keep up with the rigors of today's society; a process that can be truly transformative.

Join us in an exploration of evidence-based strategies and resources that you can use to help English learners build their reading, writing, listening, vocabulary and pronunciation skills.

Emphasis will be placed on contextualizing instruction to include community civic education, workforce readiness and the power of positive thinking.

This will be an interactive session with handouts provided.
