FLORIDA LITERACY CONFERENCE

May 4 – 6, 2016

Thirty-one years later, the Florida Literacy Conference is still going strong. However, we could not do it without people like you! We are looking for presenters that have a passion to share their wisdom, insight, research, techniques and practices within the world of family and adult literacy.

Below you will find the perks, important dates and information on the application process.

Perks of presenting:

- Presenter registration rate of \$225
- Networking with your peers and people who share your experiences
- Priority registration

The Nitty-Gritty:

Session last 1 hour and 15 minutes.

You may present longer but we will have to schedule you for more than one concurrent session between May 4 - 6. If your proposed session is longer than 1 hour and 15 minutes, please note this on the form.

Concurrent sessions will be set up in classroom and theater style.

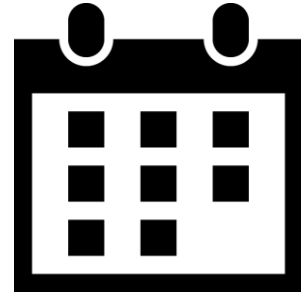

If you would like a different session set up style, it needs to be requested.

We will select proposed sessions based on the information that you want to cover and the content of the presentation.

Do not worry that you are a repeat presenter, but keep in mind we want new and exciting information presented each year. Try to propose a refreshed, updated version of your presentation that is relevant to the times.

Need-to-know dates:

- Confirmation that your proposal was received: **within 5 business days** of submitting
