

English Forward Workshop - November 13& 14 in Orlando

The instructor guide contains teaching tips and latest research on second language acquisition, a 360-page curriculum covering up to 100 hours of instruction, and a one-year subscription to the Literacy Forward Web Portal which houses additional lessons, classroom resources, and videos. English Forward is designed to revive struggling programs, achieve greater language gains, increase student engagement and improve volunteer retention.

We are currently recruiting both instructors and teacher-trainers to participate in the English Forward Instructor Training. [Please click here if you wish to apply.](#) This session is limited to 25 participants. Priority will be given the qualified candidates interested in becoming local English Forward trainers. For event details please our [English Forward informational flyer](#)
