## Sharing a Living Example of Adult Education Career Pathways...

### Dates:

March through May, 2012  
(subject to availability)

### Length:

Half or full-day workshops

### Location:

Indian River State College  
Fort Pierce, FL

### Additional Information:

These workshops are **FREE** of charge.

## Join Us!

Come learn how to build a sustainable AECP program. Participants will gain insight into the expansive Career Pathways framework and will also examine elements of success. The purpose of these "living examples" workshops are to provide assistance to AECP programs as they begin to build or expand their AECP programs.

IPDAE is offering 5 opportunities for a one-day site visit to share best practices in Adult Education Career Pathways.
